

step 4 Follow-through

You are Christ's ambassador for children in need. We want to support your efforts. Click on www.worldvision.org/volunteer or call us at 1.888.511.6461 with any questions!

- You'll receive a "How To Sign Up New Child Sponsors" sheet with answers to frequently asked questions at your sponsorship sign-up table.
- Make all necessary arrangements at your church to place bulletin inserts or announcements in the bulletin, and posters on display.
- Identify locations for your presentation(s) and reserve equipment such as tables and VCRs.
- Immediately after *A Child is Waiting*, use the oversized pre-paid envelopes sent with your order to return the new sponsor sign-ups and payments. If you hold activities on multiple weeks, send these in each week.
- An expiration date is listed on each child picture folder. The child is available for sponsorship during your program only through this date. After this date, the child can be sponsored elsewhere. This gives the best opportunity for the child to be sponsored quickly, but not twice.

"For we are God's workmanship, created in Christ Jesus to do good works..."
