

What's **your** world vision?

Help care for hungry children

We invite you to partner with us in providing life-saving food and hope for children affected by the global food crisis. Every day, more than 13,000 children die because of hunger.

The funds you give will go toward the following:

- Emergency food relief
- Seeds and livestock
- Agricultural training
- Training in how to choose and prepare nutritious foods

Your gift will provide emergency food aid and help families become food-secure for the future.
