# Help care for hungry children

He upholds the cause of the oppressed and gives food to the hungry.

—Psalm 146:7 (NIV)

Our world is being rocked by a **global food crisis** affecting close to a billion people. Every day, another 14,000 children die because of hunger—that's **one child every seven seconds**.

But God can use His people to feed the hungry. As followers of Christ, there is much we can do. We can pray. We can donate—not just to feed people but to help families meet their own food needs.

**Next Sunday**, we will be taking a special offering to help World Vision provide life-saving food and hope for hungry children. The funds you give will go toward:

- Emergency food relief
- Seeds and livestock
- Agricultural training
- Training in how to choose and prepare nutritious foods

**Thank you** for prayerfully considering what you can give to help children and families in need.
