

If you haven't yet signed up for the Love Loaf program and ordered your FREE materials to get started, please return the form in the enclosed brochure, call toll free 1-877-4LOAVES (456-2837), or visit www.worldvision.org/loveloaf. (Please allow 2-4 weeks for delivery.)

1 Get started: make a plan.

- Determine your Love Loaf Harvest Sunday date (the day you will collect all the loaves from the families and participants in Love Loaf). Many churches choose this date to be Thanksgiving or Easter.
- Determine the number of weeks before Harvest Sunday to run your event. We recommend a four-week (28-day) event.

2 Promote your event.

- After receiving your free materials, promote your event with the poster provided.
- Copy the bulletin inserts. There are five of them—one for each Sunday you participate, and one for the week after to talk about your results!
- Set aside the Pastor's Info Points to use during your worship service's announcement time each week.
- Pray for your event, your congregation, and families around the world.

3 Distribute one Love Loaf and one Family Devotional Booklet to each family or participant at the beginning of your event (4 weeks before Harvest Sunday).

4 During the four weeks:

- Use the bulletin inserts, Pastor's Info Points, and Sunday school curriculum each week.
- Ask your members to pray for orphans and vulnerable children around the world. Remind them to use the Family Devotional Booklet each day to learn more.
- If you ordered the Sunday school curriculum with your materials, copy and distribute it to your classes.

5 Collect the loaves and count your funds.

- Collect the loaves on Love Loaf Harvest Sunday.
- Your treasurer may find creative ways to encourage cooperation in counting the funds, such as a teen pizza party where youth in the church come together to count donations and enjoy pizza.

6 Write a check for your donation.

- Remember that, depending on your church's outreach goals, your church may keep *up to 50 percent* of the offering. Whatever your church sends to World Vision will go to help save the lives of orphans and vulnerable children around the world.
- One check, payable to World Vision, should be sent for the donations.

7 Send your donation check and Report Form to World Vision.

- Please fill out and return the Report Form originally provided with your materials. If the Report Form cannot be located, please include your World Vision account number (found on the packing slip with your materials) and the name, address, and contact phone number of your church with your check.
- Use the pre-addressed, postage-paid envelope provided with your materials to send the Report Form and your donation check to: **World Vision, Love Loaf Program, P.O. Box 70013, Tacoma, WA 98471-0013.**

8 Report to your congregation.

- Let your congregation know how much they raised through the Love Loaf program. Use the final bulletin insert along with the final Pastor's Info Points in your materials to celebrate God's work through you!
