

CRISIS IN IRAN—SPECIAL LOVE OFFERING:

Christmas Day Earthquake Leaves Survivors Homeless and Suffering

(AP/Wide World photo)

It was Christmas in America—but a day of horror in Iran as a powerful, 6.7-magnitude earthquake struck the ancient city of Bam. At least 28,000 people died, and 100,000 children and families are homeless.

Now survivors face snow and freezing temperatures. The wails of crying infants and mourning adults fill the city squares as they huddle under blankets, desperate to stay warm. World Vision field workers on the scene also report that dysentery is a growing threat.

You can demonstrate God's love to these devastated people by taking part in the special love offering today. Your \$100 gift will help provide a Family Survival Kit containing blankets, a tent, clean water, food, and other survival items. Any gift you can send will help those who are suffering.

Please also remember these specific prayer requests through the week:

- For God to comfort the grieving families who have lost loved ones
- That children and families without shelter will receive emergency help
- For World Vision's relief efforts and the safety of our workers

Thank you for praying and helping in Jesus' name.
