

# Renee Stearns

*Expert in World Vision programs with a heart for mothers and children*

Renee Stearns draws on her experience and passion as an attorney, wife, and mother to speak on behalf of those she has met in her travels to visit World Vision's work in more than 20 countries. Knowing that she has a unique opportunity to see firsthand the challenges women face in raising families on less than two dollars a day, she is committed to sharing with her audiences about what God is doing around the world, frequently reminding them that God has invited us to be His partner in meeting needs.

Along with her husband, Richard Stearns, president of World Vision U.S., Renee is the author of the devotional book *He Walks Among Us—Encounters with Christ in a Broken World* and *God's Love for You, A Bible Storybook*. Her writing has also appeared in *Today's Christian Woman*, *HuffPost*, and *Her.meneutics*. In addition, she is a contributor to the Women of Vision *Heart of the Matter* cross-cultural Bible study series.

She received her Bachelor of Arts from Cornell University and her law degree from Boston College. She is active in church ministry, leads several community-based Bible studies, and hosts small groups for those wanting to learn more about what it means to follow Christ. For almost 20 years, she has been a frequent speaker in churches and Sunday school classes and at fundraising galas, conferences, and women's retreats. She is the mother of five adult children and the grandmother of five adorable grandsons.
