Dear Friend of World Vision,

As I begin my presidency of World Vision U.S., I’m excited to press into the miraculous. This means encouraging staff, supporters, and those we serve to step into something bigger and better—God-sized impact greater than what we can achieve on our own.

We saw this in 2018, thanks to God’s work in the hearts of U.S. supporters like you, we received more than $1.6 billion in revenue! That enabled us to devote $251 million more this year to our transformative work in communities around the world—programs that open the door to fullness of life for children, so they can become all that Jesus created them to be.

Here’s evidence of the miraculous impact we are achieving, thanks to your generosity and God’s power:

» Every 60 seconds, a family gets eaten by a hungry child fed, and a family gets the tools to overcome poverty.

» From 2018 alone, over 120,000 malnourished children we treated made a full recovery.

» In 2018, together we impacted the lives of over 200 million vulnerable children by ending the root causes of poverty. I’m so grateful for your partnership this past year. Together, let’s continue to press into the miraculous. Jesus is waiting for us there!

God bless you.

Edgar Sandoval Sr.
President, World Vision U.S.

Seeing miracles happen
Together with our donors, we are:

SAVING LIVES IN THE WAKE OF DISASTER
World Vision stands ready to protect children and families by offering critical help within 24 to 72 hours of a disaster. And our 40,000 staff in nearly 100 countries are committed to helping families rebuild. In 2018, World Vision:

» Responded to 14 humanitarian emergencies around the world, including the ongoing hunger crisis in Darfur, Sudan; the displacement in Syria, Iraq, and South Sudan; as well as hurricanes Florence and Maria in the U.S.

» Assisted 14 million disaster survivors, refugees, and internally displaced people worldwide.

» Used $14.3 million in private donations and public grants for global disaster relief efforts.

» Kept $2 million worth of pre-positioned relief supplies available for immediate use in disaster response.

CREATING HOPE FOR TODAY— AND TOMORROW
World Vision is passionate about seeing every child break free from poverty and reach their God-given potential. Our unique development model offers a full solution to poverty, enabling real and lasting change for children and families. In 2018, World Vision:

» Helped transform the lives of over 3.5 million children registered in child sponsorship programs worldwide, including more than 1 million children who were supported by sponsoring in the U.S. Because of our community-focused solutions, for every child you help, four more children benefit.

» Helped provide access to clean water for 4 million people, improve sanitation for 2.8 million, and improve hygiene for 5 million in urban and rural areas.

World Vision is reaching one new person with clean water every 10 seconds and since 2011 has provided 19 million people with access to clean water.

» Used $61.9 million in food grants, including 110,117 metric tons of food supplies to help nourish children and families.

» Delivered $761 million in microloans to 1.1 million hardworking people in 29 countries—impacting 2.4 million jobs and improving the lives of 4 million children!

» Was the largest implementing partner of the World Food Program and the 7th largest implementing partner of USAID.

» Assisted 4 million children and adults in the United States through disaster response and access to basic necessities such as clothing, food, and shelter for building resilience.

» Empowered hundreds of thousands of children to protect themselves from abuse and violence, and mobilized parents, caregivers, and faith leaders to nurture children and prevent harm.

» Worked to improve quality of education for children in nearly 50 countries by engaging their teachers, families, and communities, helping them obtain literacy, numeracy, and life skills for brighter futures.

Our vision for every child,
life in all its fullness.
Our prayer for every heart, the will to make it so.
