Global 6K

By become a school host site for the Global 6k, you are empowering your faculty, students and families to become active global citizens by walking the average distance a child in Africa walks to fetch dirty drinking water.

The Global 6K is a great opportunity to unite your school and your local community towards one common goal. If you have any questions about how the Global 6k will work with your school, please contact **Kristin McGunnigle** at kmcgunni@worldvision.org.

If you have any questions or need anything, please let us know! Email schoolquestions@worldvision.org or call 1-888-511-6582 for the quickest response.
